EASY AND QUICK FOR
2010!!!

The 2009 season was a huge success for the Kalamazoo College Men's Soccer program. The season started off by K-College defeating the WMU Broncos 2-1 on their home field to capture the Kalamazoo Cup. The K-College Men played Hope college to a 0-0 OT tie at the inauguration of the new DeVos Stadium in Holland. The biggest win of the season was a 3-0 victory over Calvin College who would go on to win the league and make it to the NCAA National Finals just a few weeks later. Dane Carey (pictured above) led the league in scoring and total points as a junior.

Elite Overnight Camp

The Elite Overnight Camp is an exciting opportunity for players to train with and compete against other players with aspirations of being a standout at the high school, college, or professional levels of play. NCAA and NAIA college coaches, as well as former professional players, will comprise an elite staff committed to creating elite players. Special college coaches will be on for

staff specifically training goalkeepers. Kalamazoo College holds a national reputation for academic and athletic excellence. It has been named one of “40 colleges that

change lives”. Players will enjoy the beautiful facilities of K College nestled in downtown Kalamazoo. You and your friends will remember this week at Kalamazoo College for years to come! Players report at noon on Sunday and depart in the evening on Wednesday.

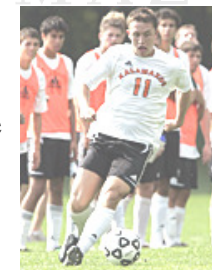

Future Hornet Camp (Full day 9-4PM)

The Future Hornet Camp follows the curriculum and philosophy of the Elite Overnight Camp. Local players will enjoy the exposure to college coaches and fellow players from around Michigan and the Midwest. This camp for boys and girls allows for a competitive, fun week of highly qualified instruction at Kalamazoo College. This full day camp allows players to be exposed to the “college lifestyle” as they enjoy full service cafeteria lunches, pool time, and their favorite soccer movies in the school’s air-conditioned theater. Please see the website for a complete description. Each camper receives a free K-College Soccer T-shirt!

Junior Hornet Camp (1/2 Day: 9-Noon)

The Junior Hornet Camp is for younger players. The emphasis in this camp is on creating a love for a game and strengthening a player’s self-esteem and confidence by teaching essential skills, new moves, and emphasizing the value of teamwork. Each camper receives a free K-College Soccer T-shirt!

4v.4 Tournament The 4v.4 Tournament is a new, unique concept in the area. On Thursday of camp, players will be split into 4v.4 teams and will compete in an NCAA championship format tournament. The 4v.4 model is famously used by the Dutch and widely throughout Europe and South America. 4v.4 play teaches players *through the game itself*. Players receive many more touches on the ball during 4 v.4 and are much more involved, which increases the learning curve and makes the game more interesting for players. Most important for older players is the opportunity to grow in the concepts of making runs off the ball, 1v1, and combining with teammates offensively and defensively.
